Kendra Voth of In the City Entertainment is located in Vancouver BC. Kendra and her team specialize in, producing EPK's, DVD special features, behind the scenes documentaries, television segments, on-line content, web series, field producing, photo galleries, media writing, editing, video crews and equipment for feature films and Television.

They are involved in production, providing: experienced IATSE union video crews, field producers, writers, interviewers, and editors. In the City Entertainment is able to accommodate all production needs from pre to post, or a variety of the services mentioned, like simply capturing on-set interviews, b-roll and shipping the footage directly to you, to handling the entire behind the scenes production package, DVD features, junkets, promo materials and more.

In the City can provide any type of camera package needed. Packages include full ENG or Cine camera packages, sound package, lighting kits and grip equipment if needed. Dubbing and editing facilities are available as well as extras such as backdrops and teleprompters.

Please see below for some of In the City's most recent work with clients such as Warner Bros, FOX, ABC, CBS, CW, Disney, Nickelodeon, TV Guide, ET Canada, CWTV.com, WWE, Herzog & Company, Retrofit Films, Narrator, Hurwitz Creative etc.
