Kendra Voth of In the City Entertainment is located in Vancouver BC. Kendra and her team specialize in field producing, producing DVD Special Features, Behind the Scenes Documentaries, Television Segments, Webisodes, Electronic Press Kits, Photo Galleries, Media Writing, Editing, Video Crews and Equipment.

They are involved in Production, providing: experienced IATSE union video crews (for EPKS, out of town clients and visiting TV hosts), field producers, writers, interviewers, and editors. In the City Entertainment is able to accommodate all production needs from pre to post, or a variety of the services mentioned, like simply capturing on-set interviews and b-roll and shipping the footage directly to you, to handling the entire behind the scenes production package, DVD features, Junkets, Promo Materials and more.

In the City can provide any type of camera package needed. Packages include full camera, sound, lighting kits and grip equipment if needed. Dubbing and editing facilities are available as well as extras such as backdrops and teleprompters.

Kendra and her crews have a unique way of drawing out the playfulness in the cast and capturing those unforgettable behind the scene's moments. Please see below for some of In the City's most recent work with clients such as Warner Bros, TV Guide, CBS, CW Network, WWE, FOX, Nickelodeon and others.
